In order to ensure the cover fits your hot tub correctly, measure accurately and provide the following information.

PLEASE SUPPLY ALL MEASUREMENTS IN INCHES ONLY (i.e. 86" NOT 7' 2"). Measurement "D" is *very* important; it is used to verify the size of the corners.

- Please specify the manufacturer and model of hot tub, if known. _____
- Enter measurements of hot tub next to the appropriate shape above.
- The standard length of the skirt is 4" skirt, please specific if a custom length is desired. Custom length of skirt _____
- Please note on drawing if there is a preference for the hinge direction. The standard is to divide the longer side in two. Please measure the length of the hinge; this will indicate the way the cover is split. Length of hinge _____
- Please indicate if a cover lifter is to be used with this cover. If a cover lifter is used, a larger allowance will be made at the hinge. If no preference is indicated, the standard hinge will be supplied. cover lifter no cover lifter

DAMAGES TO THE HINGE AREA CAUSED BY THE USE OF A COVER LIFTER ARE NOT COVERED UNDER WARRANTY.

OTHER INSTRUCTIONS: _____

Colours available: <input type="radio"/> brown <input type="radio"/> dark grey <input type="radio"/> green <input type="radio"/> grey <input type="radio"/> navy <input type="radio"/> teal
--

Models available	Up to 84"	84" - 96"
3" - 2" tapered <input type="checkbox"/>	\$320.00	\$340.00
3" flat <input type="checkbox"/>	\$340.00	\$360.00
4" - 2" tapered <input type="checkbox"/>	\$340.00	\$360.00
4" - 3" tapered <input type="checkbox"/>	\$360.00	\$380.00

- UPGRADES & SURCHARGES:**
- upgrade to high density foam¹, \$20.00
 - local² on-site measuring³, \$10.00
 - local² delivery⁴ of new cover, \$10.00
 - local² disposal⁴ of old cover, \$10.00

- Upgrading to high density foam increases the strength of the cover significantly and the insulating value slightly, whereas increasing the thickness adds to the insulating value significantly and strength slightly. Consider upgrading to high density if cover is over 90 inches.
- Local means Vancouver, BC and the immediate surrounding area, please call to confirm our coverage area.
- We only take responsibility on mis-measured/mis-fitting covers if we measure for the cover or if cover not made to the ordered measurements.
- Subject to WCB limitations and regulations, the old cover should be out front and ready to be loaded into our truck on delivery day, especially if it is heavy and/or needs to be carried a long distance or access only through a house. We usually have only one person making the delivery/pick-up.
